

Guitar

On completing the master study programme of Guitar, students are competent to:

- perform music pieces from both solo and chamber music literature;
- teach in primary and secondary music schools;
- actively engage in promoting and popularizing art music in broader social and cultural context;
- take initiative in professional forums, vocational associations and similar institutions which work towards advancement and promotion of the values of music performing arts and towards improvement of musical-pedagogical processes;
- perform music works to meet the needs of stage, film and similar productions;
- continue their professional development at the third level of academic studies.
